## SNYDER PREDICTS SWEEPING REPUBLICAN VICTORY.

Edgar C. Snyder, for twenty years the Washington correspondent of the Omaha Bee and other metropolitan papers, and also president of the noted Gridiron Club of Washington, spent several hours in town yesterday interviewing citizens and visiting friends.

Mr. Snyder is touring the country with a view of securing soundings of the political conditions, and what he has learned is reflected in his expression that "Nothing to it in 1916 but a sweeping republican victory."

"The policies of the democratic party are expressed in the present administration," said Mr. Snyder, "demand a change, and the installation of a great constructive statesman as president to meet the conditions which will arise in this country when the European struggle is ended, he said. And already the nation is voicing its desire for a return of Republican principles."

"The war has saved this country from absolute ruin," he declared. "Had it not been for the European demands for products great industries of this nation would have been wiped out of existence. And when peace comes we will have great problems to meet which will demand a statesman in the White House. We will have to guard against the dumping of great quantities of European products on us, to the ruin of our industries, and that is only one of our many tough problems which must be solved. The record the democratic party has made is not one that will appeal to the American people when it comes time to decide what shall be done to provide for the uncertain future."

### Council Holds Meeting.

The city council met in regular session Tuesday evening and discussed a number of matters pertaining to the city.

The electric company, in a communication, asked that the council designate the candle power and location of new lights to be placed under the new lighting system. The matter was discussed and referred to the proper committee, as was also several petitions for new lights.

The fire truck situation again came up for consideration upon a new proposition submitted by Miner Himman in which he offered to store, care for and furnish a driver for the truck for \$50 per month. This would not include the rent of the firemen's quarters. The proper committee was authorized to arrange a contract with Mr. Himman.

### Mrs. Bremer Passes Away

Mrs. Fred Bremer died at her home three miles north of town Wednesday morning after an illness of several months. After taking treatment in an Omaha hospital for some time she was brought home a few weeks ago and gradually grew weaker until the end came. Mrs. Bremer was well known among the local people, having resided in this vicinity for a quarter of a century and although of a retiring disposition, made many friends. She was a good christian woman, a devoted mother and a faithful friend. A husband and nine children are left to mourn her. Mrs. Bremer was born in Germany in 1864 and came to this country at an early age. The funeral will be held this afternoon and conducted by Rev. C. B. Harman. Interment will be made in the Ellis cemetery.

## How to Build a Convenient Corn Crib

A corn crib should always be constructed so that it can be filled and emptied with the least labor.

For level ground, a good type is double cribs with an elevated driveway through the center of the building and elevated approaches at each end. This enables the loads to be driven through the cribs and dumped or scooped out of the wagons without any high pitching.

A good crib pays for itself in a few years by keeping the corn in such condition that it will bring you better prices.

We would like to talk to you about your corn crib. Come in.

### English Take Gloomy View

"We are in a hole," says the military correspondent of the London Evening Standard, commenting on the present war situation. "We have lost faith in the ability of our statesmen and in the strategic conduct of the war and in the willingness of the people to support the war; three or four very serious questions now exercise the minds of politicians and public alike and threaten to wreck the government; in France the best known minister has resigned; in Russia public opinion is badly shaken. \* \* \* Four great powers are full of good will for one another, but each is a law unto itself."

"On the enemy's side we find unity of purpose, singleness of control and constant willingness to sacrifice everything and take all risks: The Germans have been held up here and repulsed there, but they proclaim that, whereas they have never been badly beaten anywhere since the battle of the Marne, they have added Poland to their conquests and threaten to overrun Serbia."

### Drama Sermon at Baptist Church

Sunday night there will be a drama sermon given at the Baptist church. The subject of the sermon is "Up From the Shadow." The characters are as follows:

Tom Wright, Mrs. Wright, an invalid, Jean Wright, the son, Bill McCann, a drunkard, Farson Jones, the preacher, Mart Arnold, a successful man.

Plot—Scene I—Calliope between Mrs. Wright, Bill McCann and Jean; Scene II—Mart Arnold meets Jean, doubt vs. optimism; Scene III—Farson Jones calls; Scene IV—A regeneration.

The lesson this sermon teaches is that a man is able to overcome his environment.

Sunday school at 9:45 a. m. Morning preaching service at 11 a. m., subject, "The Twin Motives of Christianity—I and Thou." All are cordially invited to these services.

### Bible School Musicals

One of the most novel entertainments featured this season was a bible school musical given at the home of Mr. and Mrs. Lloyd Lloyd, seven miles south of this city last Tuesday evening. The program consisted of the following numbers:

"We shall see the King," Intermediate Class; Welcome address—E. S. Froman; piano solo, Alma Kronquist; "Father Lead Thy Little Children," Primary girls; piano solo, Mrs. L. Lloyd; vocal solo, Ruby Kronquist; violin solo, J. A. Markee; vocal solo, Gladys Froman; "Our Aims," Miss Mason; piano duet, Mrs. Lloyd and Alma Kronquist.

At the close of the program, a guessing contest was engaged in, for which Miss Lillie Carlson was awarded the prize. Light refreshments were then served, and all felt that the evening had been well spent.

# DODGE BROTHERS MOTOR CAR

The 30-35 horsepower motor is cast en bloc with removable head which allows the valves and pistons to be easily cleaned.

The rear axle is of the full floating type with Timken bearings thruout. Imported Swiss bearings are used in the clutch and transmission.

The electrical equipment includes a waterproof Eisemann magneto for ignition and a 12-volt Northeast motor generator for the starting and lighting system.

These features are evidences of quality, but no list of specifications can tell you the story of the car as completely or as convincingly as the car itself.

The motor is 30-35 horsepower

The price of the Touring Car or Roadster, complete, is \$795 (f. o. b. Detroit)
